

Kanaka Malama Kai Volunteer Naturalist Report Form

Name:

Date you volunteered as a Kanaka Malama Kai Naturalist:

Location where you volunteered:

Time of day you volunteered:

Approximately how long did you spend at the site?

Approximately how many people did you interact with?

Estimate the total number of people at the site when you were there:

Please characterize peoples' overall reactions to you and the information you provided.

Did you observe any potentially negative behaviors such as fish feeding or interactions with the reef and marine life? Please describe.

Do you have any other observations or comments?

Please return this information to Liz Foote.
